

Governor Christine Gregoire and Pierce County Executive Pat McCarthy welcome you to the website of the 2010 U.S. Amateur Championship hosted by Chambers Bay.

We are very excited about hosting the world's top amateur golfers on one of the best golf courses in the country. This will be a great experience for the contestants, the spectators, the volunteers and all who support the Championship.

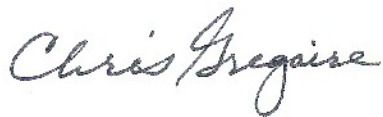

Some of these players are destined to become stars in professional golf. Tiger Woods won this event three times in a row. Puyallup's Ryan Moore won it in 2004. Other professional golfers whose names grace the Havemeyer Cup include Arnold Palmer, Jack Nicklaus, Lanny Wadkins, Craig Stadler, Mark O'Meara and Phil Mickelson.

We are proud of the fact this will be the first U.S. Amateur to be held at a municipal course. We are working with our partners at the United States Golf Association and The Home Course to make sure the nationally televised championship is an unqualified success.

This web site offers a number of ways for you to support this world-class golf experience on the scenic shores of Puget Sound. We plan to sign up hundreds of volunteers, which will provide an amazing experience inside the ropes at the world's most prestigious amateur championship. Our corporate hospitality options will enable you to entertain business clients, employees, family members and friends in style.

Keep checking back here for updates. You will not want to miss this unique experience!

Sincerely,

Christine O. Gregoire
